STATEMENT IN SUPPORT OF PETITION UNDER 37 CFR 1.47(a)

Upon information from Scott A. Wellman, Scott A. Wellman and Paul Wolfe were in discussions relating to and jointly invented the subject matter of U.S. Patent Application for "Structural Composite", Serial No. 10/079,840, filed on February 19, 2002. This application claims priority to U.S. Provisional Application 60/269,277, filed on February 16, 2001. Exhibit A is a copy of the letter as well as the subject patent application and formal documents which were forwarded by the undersigned to Paul Wolfe for his signature on April 29, 2002. Included is a copy of the certified mail receipt forwarding those documents.

Mr. Paul Wolfe was contacted by the undersigned to discuss the signing of the Declaration And Power of Attorney and Assignment (formal documents) for the
